Index to Public Utilities Reports

(This section of the magazine, which comprises the decisions, orders, and recommendations of courts and commissions, is too voluminous to be included in this index. These reports are published annually in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers, PUBLIC UTILITIES REPORTS, INC., *Munsey Building, Washington, D. C., upon application.)*

Subject Index

ACCOUNTING,
Emergency facilities of telephone companies, 100.
Debt discount, 698.

ADVERTISING,
How much does advertising pay, 112.
Power industry gets a free plug, 304.

AIRPLANES,
Communications in modern warfare, 803.

AIR RAIDS,
British experience, 531, 768.
Civilian air-raid warning service, 164.
Organization for, in cities, 210.

ALUMINUM,
Output reaches for new power, 490.

AMORTIZATION,
Of excess purchase cost over original construction cost, 563.

APPEAL AND REVIEW,
Supreme Court decision on review of orders, 505.

APPLIANCES,
How to keep gas appliances in service, 438.
Saturation of market for electrical, 441.

ARKANSAS NATURAL GAS CORPORATION,
Financial analysis, 562.

ARMY,
Importance of communications, 803.
Telephone man called to colors, 571.

ASIA,
Utility properties in the Orient, 35.

ASSOCIATED GAS & ELECTRIC,
Financial analysis, 365.

BELL SYSTEM,
Comparison between 1917 and 1941 wars, 361.

BLACKOUTS,
See Air Raids.

BOMBING,
London gas company system for dealing with bomb damage, 509.

BONDS,
See Security Issues.

BOOMS,
Utility employees during, 85.

BUSINESS,
Public utilities as trouble shooters for small, 110.

BUSSES,
ODT studies the "box car bus," 642.
War operations in Cuba, 737.

CALIFORNIA,
Commission breaks ground on utility rationing regulation, 306.
Questions on utility defense preparedness taken from questionnaire of California Railroad Commission, 309.

CAPITAL,
Labor's share and capital's share, 502.

CENSORSHIP,
Regulations covering cable and radiotelephone communications, 297.

CENTRAL & SOUTH WEST UTILITIES,
Analysis of, 38.

CHARTS,
Average daily production of electric energy, 105.
Commodity prices in present war and World War, 107.
Cost of goods purchased by wage earners, 641.
Federal war organization contact with utilities, 481, 485.
New issues of securities offered for sale in United States, 237.
Retail prices of electricity, 641.
Retail prices of gas, 641.
Saturation of market for electrical appliances, 441.
Types of securities proposed for sale by issuers, 36.
War organization and the public utilities, 371.

CHINA,
Utility properties in the Orient, 35, 135.

CIVIL SERVICE,
Preference for public or private employment, 811.

COMMISSIONERS,
State, weigh emergency regulation, 697.

COMMISSIONS,
California commission breaks ground on utility rationing regulation, 306.
SEC continues Holding Company Act enforcement, 704.
State, aid in rationing utility service, 477.

COMMUNICATIONS,
Importance to Army, 803.

COMPETITION,
Telegraph industry affected by, 142.

CONSOLIDATED EDISON COMPANY,
Preparation for war, 818.
Reappraisal of common stock, 104.

CUBA,
Good neighbor policy succeeds in, 737.

DAMAGE,
London gas company system for dealing with bomb damage, 509.
War damage and insurance, 409.

DAYLIGHT SAVING,
To save electricity, 354.

DEBT DISCOUNT,
Accounting for, 698.

DEPRECIATION,
How the utility revenue dollar is spent, 693.
Problem during war crisis, 149.

DEPRESSION,
Telegraph industry affected by, 142.
Utility employees during, 85.

DISTRIBUTION,
Four fronts for distribution as well as generation of power, 276.

DIVIDENDS,
How the utility revenue dollar is spent, 693.
Taxes to reduce, 632.

DOUGLAS DAM,
Tilt of Senator McKellar with TVA over, 729.

DRAFT,
Telephone man called to colors, 571.

ELECTION,
Public ownership election campaigns, 216.

ELECTRICITY,
Aluminum output reaches for new power, 490.
Average daily production of, 105.
Chinese prospects for, 135.
Douglas dam controversy, 729.
Economic size for utility operation, 700.
Fight for control of public power, 750.
Fluorescent lighting fixtures restricted, 766.
Four fronts for distribution as well as generation of, 276.
National Daylight Saving Time to save, 354.
Off-peak opportunities during war, 465.
Power industry gets a free plug, 304.
Power shortage reports and conflicting points of view, 399.
President approves WPB control of war power supply, 764.
Public power row, 288.
Public-private power armistice urged, 707.
Retail prices of, 641.
The Washington Post crosses swords with REA, 702.

EMPLOYEES,
See Labor.

EQUIPMENT,
How to keep gas appliances in service, 438.
Silver bus bars for the utilities, 549.

EXPENDITURES,
Weighing government expenditures in the war scales, 437.

EXPENSES,
How the utility revenue dollar is spent, 693.

FAIR VALUE,
Supreme Court ruling on rate base, 505, 554, 609.

FEDERAL COMMUNICATIONS COMMISSION,
Annual report of, 108.
Dissolution order for chain broadcasting, 93.
Investigation of, 294, 556.
Investigation of radio buying, 295.

FEDERAL POWER COMMISSION,
President approves WPB control of war power supply, 764.

FINANCE,
Impact of war upon public utility finance, 663.
War emergency providing opportunity for improvement from standpoint of, 465.

FLUORESCENT LIGHTING,
Order restricting fixtures, 766.

GAS,
How to keep appliances in service, 438.
London gas company system for dealing with bomb damage, 509.
Off-peak opportunities during war, 465.
Retail prices of, 641.

GENERAL ELECTRIC CO.
Post-war world, 566.

GOVERNMENT,
Assurances for continuation of profit system, 574.
Weighing government expenditures in the war scales, 437.

GREAT BRITAIN,
London gas company system for dealing with bomb damage, 509.
War experience of utilities, 171, 531.
War-time population changes in England and Wales, 533.

HOLDING COMPANIES,
Analysis of integration program, 178.
Coöperation needed in administration of act, 440.
Management of, by preferred stockholders, 636.
Rights of preferred stockholders under the Holding Company Act, 47.
SEC continues Holding Company Act enforcement, 704.
Values existing in securities of, 21.

HOTELS,
Telephone charges by, 556.

ICKES, HAROLD L.,
Public power row, 288.

INDEX NUMBERS,
Appraisal for rate making, 612.
Comparison of special indices for typical hydroelectric plants, 621.
Trended cost of Tuxedo hydroelectric station, 619.
Trending of additions and betterments for hydroelectric plant, 618.

INDUSTRIES,
Iron men and their dogs, 443.
Operation of industry by defense agencies, 370.
Produce for war first, 675.
Silver in, 549.

INFLATION,
Menace of, 79.
What the public utilities will find in, 267.
What to do about, 238.

INSURANCE,
War damage and insurance, 409.

INTEGRATION,
Analysis of holding company integration program, 178.

INTEREST,
How the utility revenue dollar is spent, 693.

INVESTORS,
Labor's share and capital's share, 502.
Management of holding companies by preferred stockholders, 636.
Rights of preferred stockholders under the Holding Company Act, 47.
Should fight new tax threat against utilities, 500.

KOPPERS COMPANY,
Chronicle of a manufacturing dynasty, 443.

LABOR,
Atlanta utility man perfects labor mediation plan, 45.
Labor's share and capital's share, 502.
Lady employees during war, 374.
Opportunities for trained women in communications field, 496.
Place on committees of Defense Communications Board, 161.
Public or private employment for, 811.
Staggered work hours to relieve transportation, 795.
Union labor and defense, 623.
Utility employees during booms and depressions, 85.
War, wages, and strikes, 201.

LEA BILL,
Enacted into law, 228, 243.

LONE STAR GAS CORPORATION,
Analysis of, 298.

McKELLAR, SENATOR KENNETH,
Tilt with TVA over Douglas dam, 729.

MAPS,
Panhandle Eastern Pipe Line system, 364.
War-time population changes in England and Wales, 533.

MERGER,
War hastens efforts to merge telegraph companies, 681.

MIAMI,
Revamps its municipal utilities, 222.

MIDDLE WEST,
New order comes to Middletown, 541.

MUNICIPALITIES,
Banker's eye view of municipal bonds, 510.

MUNICIPAL PLANTS,
Public ownership election campaigns, 216.
Western city revamps its municipal utilities, 222.

NATIONAL DEFENSE,
See also War.
FCC annual report, 108.

NATURAL GAS,
In the defense program, 232.

NEWSPAPERS,
The Washington Post crosses swords with REA, 702.

NORTHERN NATURAL GAS COMPANY,
Financial analysis, 434.

OFF-PEAK SERVICE,
Opportunities during war, 465.

OVERHEADS,
Table of items for, 614.

PACIFIC LIGHTING CORPORATION,
Financial analysis, 694.

PANHANDLE EASTERN PIPE LINE COMPANY,
Financial analysis, 363.

PEARL HARBOR,
Public utilities after, 210.

PHILIPPINE ISLANDS,
Utility properties in the Orient, 35.

PORK BARREL,
So-called, for waterways, 686.

PRICES,
Commodity prices in present war and World War, 107.
Cost of goods purchased by wage earners, 641.
Menace of inflation, 79.
What to do about inflation, 238.

PRIORITIES AND RATIONING,
California commission breaks ground on utility rationing regulation, 306.
Public utilities in relation to, 3, 69, 638.

PRIORITIES AND RATIONING—*continued.*
Rationing telephone service, 342.
Restriction on telephone equipment, 425.
State commissions aid in rationing utility service, 477.
What to do about inflation, 238.

PROFIT SYSTEM,
Assurance for continuation of, 574.

PUBLIC OWNERSHIP,
Election campaigns for, 216.
Fight for control of public power, 750.
Need for power and public ownership, 399.
Preference for public or private employment, 811.
Proposal to place Federal hydroelectric project in hands of single administrator, 288.
Public-private power armistice urged, 707.
Saving public utilities from, 276.
Tax-free plants under, 155.

PUBLIC UTILITIES,
After Pearl Harbor, 210.
Beneficial result of friendly attitude in Cuba, 737.
British war experience, 171, 531, 768.
Chinese prospects for, 135.
Civilian utility operations under war-time regulations, 40.
Construction in 1941–1942, 633.
Employees during booms and depressions, 85.
Federal taxes as determining factor in earnings, 499.
Federal war organization contact with utilities, 481, 485.
Feeling the war strain, 638.
Financing by, 236, 663.
How utility revenue dollar is spent, 693.
Inflation in relation to, 79, 267.
London gas company system for dealing with bomb damage, 509.
Making the war work for utilities, 465.
Need for square deal, 333.
Oriental properties of, 35.
Power shortage reports and conflicting points of view, 399.
Priorities and rationing in relation to, 3, 306.
Prospects for 1942, 69.
Protection against post-war conditions, 267.
Public-private power armistice urged, 707.
Questions on utility defense preparedness taken from questionnaire of California Railroad Commission, 309.
Security holders should fight new tax threat against, 500.
State commissioners weigh emergency regulation, 697.
Tax-free plants under public ownership, 155.
Trouble shooters for small business, 110.
War damage and insurance, 409.
War demands on, in 1943, 418.
War operations in Cuba, 737.
War organization and the public utilities, 371.

PUBLIC UTILITIES—*continued.*
War slows utility financing, 34, 663.
Western city revamps its municipal utilities, 222.

QUESTIONNAIRE,
Questions on utility defense preparedness, 309.

RADIO,
Dissolution orders for chain broadcasting, 93, 162.
FCC annual report, 108.
Government control during war, 98.
Manufacture of instruments during war, 359.
Signals and communication important to Army, 803.
Voluntary censorship of programs, 210.

RAILROADS,
Comparative data for rail and river transportation, 677.

RAILS,
Horse trades in, in war time, 745.

RATE BASE,
Supreme Court ruling on, 505, 554, 609.

RATES,
Charges on long-distance calls by hotels, apartment houses, and clubs, 161.
ODT takes over transit regulation, 567.
Rigid, protection of utilities against, during inflation, 267.
Supreme Court decision on review of, 505, 554, 609.
Telephone, increased to maintain dividends, 687.
Utility rates *versus* taxes, 299.
Valuation of standby equipment for purpose of fixing, in war emergency, 347.
War effect on telephone rates, 770.

RATIONING,
See Priorities and Rationing.

REGULATION,
State commissioners weigh emergency regulation, 697.
War emergency providing opportunity for improvement from standpoint of, 465.

REPRODUCTION COST,
Streamlining the utility valuation process during emergency, 609.

RETURN,
Rates of return earned in 1940 by 15 utilities, 26.

RURAL ELECTRIFICATION ADMINISTRATION,
The Washington Post crosses swords with, 702.

ST. LAWRENCE SEAWAY,
Project before Congress, 14.

ST. LAWRENCE WATERWAY,
Produce for war first, 675.

SATURDAY EVENING POST,
Power industry gets a free plug, 304.

SECURITIES AND EXCHANGE COMMISSION,
See also Holding Companies.
Continued Holding Company Act enforcement, 704.

SECURITY ISSUES,
Average price of common stocks of United States corporations listed on New York Stock Exchange—by industries, 337.
Average prices of various classes of public utility common stock listed on New York Stock Exchange, 339.
Banker's eye view of municipal bonds, 510.
Holding company, values existing in, 21.
Impact of war upon public utility finance, 663.
Low levels of utility stock, 102.
New issues of securities offered for sale in United States, 237.
Utility securities hard hit by proposed tax rates, 430.
Underpriced utility stocks, 597.

SERVICE,
ODT studies the "box car bus," 642.
Off-peak service opportunities during war, 465.
Rationing by state commissions, 477.
Rationing telephone service, 342.
War effect on telephone service, 770.

SHORTAGE,
Power shortage reports, 399.

SIGNAL CORPS,
Telephone man called to colors, 571.

SIGNALS,
Importance to Army, 803.

SILVER,
Public utility status of, 549.

SMYTH *v.* AMES,
Supreme Court decision as bearing on, 503, 505.

SOUTH AMERICA,
Financing purchase of communication facilities in, 495.

SOUTHERN NATURAL GAS COMPANY,
Analysis of, 232.

STAGGERED HOURS,
To relieve transportation system, 795.

STANDBY EQUIPMENT,
Valuation for rate purposes in war emergency, 347.

STOCKS,
See Security Issues.

STREET RAILWAYS,
Horse trades in steel rails in war time, 745.
War strains city transit, 375.

STRIKES,
War, wages, and strikes, 201.

SUPREME COURT,
Ruling on rate base, 505, 554, 609.

TABLES,
Average prices of stocks, 337, 339.
Comparative data for rail and river transportation, 677.
Comparison of special indices for typical hydroelectric plants, 621.
Comparison of various estimates of American power capacity, 401.
Earnings and taxes of utilities, 431.
Effect of Treasury tax proposals on utility earnings, 601.
Federal taxes, present and estimated, 632.
Fixed charges coverage, 692.
Labor's share and capital's share, 502.
New construction expenditures by electric utilities, 664.
Normal, surtax, and excess profits tax, 691.
Overhead allowances, 614.
Pacific lighting common stock record, 694.
Public utility and other corporate financing, 236.
Rates of return earned in 1940 by 15 utilities, 26.
Security sales by electric utilities, 668.
Telephone handset charges and changes made since January 1, 1941, 362.
Trended cost of Tuxedo hydroelectric station, 619.
Trending of additions and betterments for hydroelectric plant, 618.
Utility company earnings, 103.

TAXES,
As protection against public ownership, 276.
Dividend reductions because of, 632.
Effect of Treasury tax proposals on utility earnings, 601.
Federal, determining factor in utility earnings, 499.
Formula for adjusting 1941 earnings to propose new taxes, 692.
How the utility revenue dollar is spent, 693.
How to estimate the new taxes, 691.
Public ownership, tax-free plants under, 155.
Telegraph industry affected by, 142.
Utility rates *versus* taxes, 299.
Utility securities hard hit by proposed, 430.

TELEGRAPH,
Adverse effect of depression, competition, and taxes, 142.
Control during war, 30, 98, 425.
FCC annual report, 108.
Lea bill enacted, 228, 243.
War hastens efforts to merge companies, 681.

TELEPHONES,
Accounting for emergency facilities, 100.
Charges on long-distance calls by hotels, apartment houses, and clubs, 161.
Concurrence in toll compensation, 496.
Control during war, 30, 98, 425.
FCC annual report, 108.
Hotel charges for service, 556.
Lea bill enacted, 228, 243.
Manufacture of, during war, 359.
Off-peak opportunities during war, 465.
Rate increase to maintain dividends, 687.
Rationing service, 342.
Restrictions on equipment, 425.
Telephone man called to colors, 571.
War effect on rates and service, 770.
War operations in Cuba, 737.
